SUBJECT CIA Expansion Plan

ANDREA ROANE: Over objections from some of its Fairfax County neighbors, the CIA is going ahead with its \$100 million expansion plan. But hoping to mollify some of the residents concerned with the increase in traffic, the agency says it will move its visitors parking from the main entrance on 123 to the parkway, significantly reducing the traffic buildup.

The expansion is expected to bring more than 3000 additional employees to the McLean facility, which already houses 20,000 people.
